UNICOIL™

UCS...UNICOIL

Now you can make custom hoses using stock heater hose and the new, patented unicoil hose bending system. Unicoil is perfect for customized engines, out-of-stock situations and one-of-a-kind routing problems.

- No tools or special equipment needed.
- Great for modified or customized engines.
- Prevents kinks in tight hose bends.
- Perfect solution when custom molded hose isn't available.
- Fits hoses from 1/4" to 1" ID.
